

The principals of BRB Contracting have more than 30 years of combined experience in residential homebuilding, commercial construction, and real estate development throughout New England. We have come together to offer a highly responsive team to handle all of your construction needs. Our services include both small and large jobs ranging from water and ice damage repairs to basement finishing, custom kitchen construction, custom woodworking, home improvements and even new home construction. Our number one goal is to have 100% satisfied customers!

Contact us now if you've been thinking of any of the following:

- *Fixing any recent storm damage, like that from this past winter*
- *Remodeling a kitchen, bathroom, or maybe a new master closet*
- *Creating the perfect summer time deck or patio*
- *Building an addition for your family's new addition*
- *Or maybe you haven't found what you've been looking for and want to explore building a new home*

Call us today with questions for any job.
We are happy and ready to help!
